

## ***From Yvon Prehn and Effective Church Communications,***

Following are the designs for a basic Back To Church Sunday Invitation and a set of fall and Christmas Designs that could be used for a Season of Invitation.

After that are some stand-alone designs for Back to Church Sunday (no similar set of fall and Christmas designs).

Finally, there are separated designs for 2 color printing designed for the RISO Digital Duplicator.

Use the material as is or feel free to modify in any way you'd like.  
The only restriction is that you cannot take out the artwork and use it in other projects.

Be sure to give complete contact and event information in the areas you personalize for your church.

Finally pray lots that the Lord will use these materials to touch hearts and bring lots of people, *Back to Church!*

Joy and peace,

*Yvon*
