

Connection Card Samples for Special Events

Below is a collection of Connection Card Samples for special events at your church. It is essential that you make a connection that you can follow up on when people attend your church. If you don't, the hard work you put into hosting the event will not have the eternal impact on people that it could have. If you want to grow your church through your events, this connect is essential.

We do special events in the church to introduce people to our church and Jesus, but if we don't have a way to make a connection with them, to let them know what else the church offers, to invite them back, to enter into a dialog, they may enjoy our outreach event, but never return. A Connection Card will assure you that your hard work will help grow the church and introduce people to a relationship with Jesus.

On this page are samples of generic cards and ones for various holidays. Anyone may use them for ideas, but if you are an Effective Church Communications Member, you also have access to editable MS Publisher files, PDFs, and JPGs of all the Cards. On the website: www.effectivechurchcom.com is a Webinar On-Demand that shows how to use Connection Cards and a video that shows how to use the editable MS Publisher Files, the PDFs and the JPGs.
