

As we remember September 11, consider the thoughts below and make your memories prayers for peace in our hearts, our families, and our world.

Recall God's faithfulness

Empathize with others who suffer

Memorize verses about God's love

Encourage the weak and weary

Make peace wherever you can

Believe God is Sovereign always

Endure difficulties in God's strength

Resolve to never forget that in the end,
all wrongs will be righted, all pains healed.
