

Thanksgiving Sharing & Service Opportunity

As we shared several weeks ago, Paul & Yvon are going to be cooking and hosting:

- A Thanksgiving Meal
- Game time snacks and fun before dinner
- After dinner sandwiches, relaxing, miniature golf, after dinner

At the Lemon Wood

Mobile Home Park Clubhouse

**Thanksgiving Day 10 am game; 12 pm Meal, sandwiches later
Corner of Telephone & Johnson, Ventura**

This is the park we live in and some of our goals are:

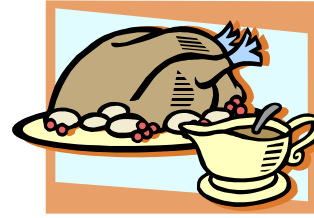

- Share the love of Jesus with the members of our community, both at the event and in a follow-up Thanksgiving card we will give them
- Serve those who would be alone
- Prepare open hearts to possible future ministry (Bible studies?)
- Do some service together as a class
- ALSO, as we do every year, we'd love to share Thanksgiving with class members, whether you have the time or interest to help or not!

What we need from you:

- Most of all your prayers, for the people who come that God would touch lives, for us for strength and wisdom as we put on the meal
- For Volunteers to help.
 - Yvon will head up and do much of the cooking, but we need help on Wed. from 12-4 for prep work and decorations.
 - Would like home made pies or goodies if possible
 - Thurs. come at 9 am to help with final set up and preparation
 - Clean up help later Thanksgiving Day.
- Cash donations for the food. We will have a collection jar at class or you can give a check to Yvon or Paul Prehn.
- More prayers, that we represent Jesus well & open hearts to Him

If you have questions, want to come or can help, please contact Yvon:
