

Church Communication and Technology Survey

This survey is anonymous, we really want honest answers so we can serve you better.

What technology do you have to receive messages from the church? Check all you have; put a star by the ones you use frequently.***

- ☐ Computer at home
- ☐ Computer at work
- ☐ Computer at school
- ☐ Laptop
- ☐ Mobile phone
- ☐ Smart phone
- ☐ Tablet computer

Which of these channels do you regularly access for church information or teaching? Check the box.

******Please a star by the channel or channels YOU PREFER to get your information from.******

- ☐ Church Email newsletter
- ☐ Church Website
- ☐ Sermons online/podcasts
- ☐ Church or pastor's blog
- ☐ Facebook
- ☐ Twitter
- ☐ Google Circles
- ☐ Printed Church Bulletin
- ☐ Printed Church Newsletter
- ☐ **Others (please put in any other communication channels you use here)**

Three additional questions, please be honest in your answers:

How well informed are you about church events? How can we do better?

Do the church communications encourage you in your Christian life, help you grow as a Christian, and teach you to share your faith? How can we do better?

Anything you'd like to ask or tell us about the technology or communication ministry of the church? Overall, how can we serve you better in technology or communications?

Thank you so much!
