# How and why create an overall Church Information booklet and an ebook for Easter and all-year

by Yvon Prehn, [www.effectivechurchcom.com](http://www.effectivechurchcom.com)

If you want to get church guests to come back to your church after a visit at Easter or anytime, one of the best ways to do that is to create a booklet that gives visitors an overview of your church. This is especially important for holidays because churches seldom do the same things on Easter Sunday or other holiday times that they do the rest of the year. They do special things they don't normally do (brunch, Easter activities for children, special music) and they often don't do things they normally do, such as hold adult Bible classes.

In addition to the importance of knowing what your church does on a regular basis, visitors might be very interested in what you do in your church for children, youth, women, or various interest groups on an ongoing basis. You might announce these ministries during holiday services, but so much is going on at that time, it is easy for people to forget. In addition, you simply don't have time to tell people all about the activities and ministries that might be of great benefit to them.

Flyers and other handouts serve as temporary reminders, but a nice-looking booklet is a keeper. Families might toss it in a drawer, but if they feel a need for their kids or find themselves asking questions about God, they will pull it out and check out the church.

## **Make it useful for more than one occasion**

Once you do up a booklet like the ones that follow, you can change the cover for different holidays or special occasions. In addition to changing the cover sure to stay up-to-date in the interior information as ministry events change.

Booklets like this are very easy to do in MS Publisher and with a little bit of adjusting the same booklet that works well to give away to visitors, can also be made into an ebook that you can post on your website and invite people to download and print out.

On the Effective Church Communication website is a short video (only 7 minutes) following zooms through how to do a booklet and then how to make an e-book with the finished file. It is at the link below:

<http://www.effectivechurchcom.com/2011/03/how-to-create-a-booklet-and-an-ebook-for-easter-and-all-year-a-short-webinar/>

Following are three examples of church overview booklets. One is newer, two are older but all are EXCELLENT examples of the kind of information you need to include.

**\*\*\*ONE MORE IMPORTANT THING TO REMEMBER.....**

If you can't afford to do full-color printing or even a colored cover—that is OK! It isn't the use of color or not that makes a booklet like this useful—it is the content. Work on that and even the most simple black and white publication, the Lord can use to change lives.

PROVIDENCE CHURCH  
One church, two campuses

## Welcome, guests!

We are delighted to have you as a guest in our services today. Whether this is a one-time visit or the beginning of a long-term relationship with our church family, we pray that you will encounter God's presence in a very personal way.

This booklet is provided to give you an overview of our church's ministries as well as the logistical help of building diagrams and other information to help you get around a bit easier.

New Life Providence Church is a transethnic body of believers. We value diversity in every area of the ministry and we're intentional in our efforts to help members relate to one another as a multiethnic, multicultural, multi-gifted blend of God's people.

As a church, our three primary values are prayer, worship, and the Word. Our desire is to honor God by allowing those three values to permeate everything we do. If that is your heart as well, we invite you to consider New Life Providence as your new church home.

Thank you for blessing us with your presence today.

## Children's Ministry

Our nursery provides a loving, safe environment for the youngest children while their families participate in the worship service or other church activities.

At age three, children begin participating in age-appropriate classes and begin to build a firm foundation for their faith.

First graders move into the elementary program. Each service has a different look for these children. During the 9:00 AM services at Kempsville, children are dismissed to Sunday School classes following worship. Classes are divided into grades 1-2; grades 3-4; 5th grade boys; and 5th grade girls. On Saturday nights, and during the 11:30 Kempsville services and the Deep Creek service, the first through fifth graders are dismissed to a large group children's church. International Café has a separate children's ministry system—see a greeter for details. In all classes, our goal is to equip children with godly principles from the Bible and life application lessons.

Children also have opportunities for dance ministry, missions trips, and other special events. Adults have various opportunities to mentor or tutor at-risk children in our community outreach programs.

### How can you get plugged in?

- Fill out a personal application and a request for a criminal history/sex offender record search. These are available in Kids Cove, Kids Creek, or the NLPC website.
- A personal interview with Pastor Cheryl to identify opportunities and placement. Every effort is made to find a good fit for volunteers; training provided.

We are a group of young adults between 18 and 28 who are awaking to the life-altering presence of Jesus Christ. We are, however, part of a larger movement taking place on the college campuses where students are tired, hungry, and thirsty—looking for something of substance that doesn't leave them longing for more. We are a group of young businessmen and businesswomen who are tired of an unfulfilling pursuit after the American Dream. And we are young adults who are part of a movement that cuts across every skin color and subculture.

**How We Do It:**

**823** – A ministry-wide gathering on Thursday nights at 8:00 PM. Young adults from across Hampton Roads join for worship, ministry, and fellowship with the primary goal of encountering the presence of Jesus Christ.

**Life Groups** – Deepen your Christian walk, build authentic relationships, become equipped and released in personal ministry in a small group ranging from 5-15 people who meet weekly in someone's living room, apartment, or dorm suite. And they're happening almost every night of the week.

**Outreach** –Once a month each Life Group "adopts" a nursing home, city block, soup kitchen, etc. in belief that we are Jesus' hands and feet to reach those on the fringe.

## Life Groups

New Life Providence believes that weekend worship services are essential to our life as a growing congregation. However, we also believe that small home groups— life groups—consisting of 5 to 15 people, are the foundational building block of the church. Life groups are the primary means through which personal ministry, pastoral care, discipleship, and leadership development occur in our congregation.

Groups typically meet three times a month for fellowship, study, prayer, and personal ministry. Some of our groups are also involved in outreach events to the community. Many groups are kid-friendly, while others are specifically designated for adults.

The life group display in the hall outside the Kempsville sanctuary is designed to help you find a group that fits you well. You'll find that the display is divided by the day of the week that groups meet, as well as sections specifically for women's and men's groups. Help yourself to a business card from each group that looks like it might be a fit for you and call the leader for more information. Also, help yourself to a copy of our Life Group Directory from the display to review at home. Directories are available at the information center at the Deep Creek campus.

Still need help finding an appropriate group? Give us a call at the church office and we'll be glad to help.

## Worship Ministry

Music is a vital part of how we bring glory to the King. The Word reveals that heaven's worship is happening...day and night without ceasing...(Revelation 4:8). We glorify God through our musical skills and creative talents, and it is for this reason we have a music ministry at New Life Providence Church.

The choir is a multi-cultural group of singers with a diversity of musical backgrounds and styles blended together for the purpose of leading the church into the courts of the Lord. The choir is open to all singers.

Worship leaders are the primary song leaders for each service. Audition is required, and worship leaders must be church members.

The musicians serve as worship leaders on their instruments, playing on a rotation basis for the weekend and various services throughout the week, including: prayer meetings, Project 52 (youth), 823 (young adults), King's Chamber, and special events. Audition is required.

Rehearsals for all singers and musicians are held on Thursday evenings. Childcare is provided.

New Life Providence (NLP) is wholeheartedly committed to Jesus' Great Commission mandate to "make disciples of all nations." These are our marching orders and the ultimate expression of our transethnic vision—"every tribe, tongue and nation." We have missionaries advancing the Gospel among some of the least reached peoples of the world in Asia, Africa, the Middle East, and in the heart of the Amazon. And we are committed as never before to mobilizing and releasing our congregation for even greater impact. How are we doing this?

- By **praying** for and financially **supporting** our outstanding missionary force around the world.
- By **identifying, raising up** and **training** new missionaries from our congregation through New Life School of Missions (NLSOM) and other equipping venues.
- By **sending** hundreds from our congregation every year on a wide variety of short-term missions trips.
- By **mobilizing** every member for meaningful involvement in God's global cause through prayer, missions exposure, equipping, and ministry opportunities throughout the year.

The following inscription was found on the Berlin Wall before communism collapsed and the wall came down:

*"Many small people, who in many small places, do many small things, can alter the face of the world."*

Would you like to get involved? Contact Doug Chandler for more information.

God invites us to be world changers in 2011! Will you join us? As this year's missions theme states: ***Now is the time!***

## Prayer Ministry

At New Life Providence we believe that:

1. Every Christian is called to be an intercessor.
2. Prayer should be born out of intimacy with God.
3. There should be diversity in prayer.
4. Perseverance in prayer builds faith for life's battles.
5. New Life Providence is a small part of what God is doing worldwide in prayer.

### IMPORTANT PRAYER MEETINGS:

**Sunrise Prayer • Wednesdays, 6:30 – 7:30 AM in the Kempsville sanctuary AND Fridays, 6:30 – 7:30 AM in the Deep Creek chapel.** These are the main prayer meetings of our church.

- **Mondays, 7:00 – 9:30 PM in the Kempsville sanctuary**
- **Wednesdays, 7:00 – 9:00 PM in the Deep Creek multi-purpose room (200)**

### The King's Chamber •

**Fridays, 7:30 – 9:30 PM in the Kempsville auditorium:** This is a harp (worship) and bowl (intercession) style meeting, as described in Revelation 5:7 – 9. We seek to encounter the Living Word while coming into agreement with His written Word.

## Water Baptism

New Life Providence encourages all believers to be baptized in water to give public testimony of their faith in Jesus Christ.

NLP typically holds three water baptisms per year. The largest is in July and is held at an outdoor venue. Baptism services are held in the fall and winter at the church building. Contact Annette Bowen regarding the schedule.

Elementary age children are welcome to be baptized, but they are required to complete the children's water baptism class first. A class is held a week or two before each water baptism service. For details on the children's water baptism class, contact Pastor Cheryl Muniz at [cheryl@newlifeprovidence.com](mailto:cheryl@newlifeprovidence.com) or 227-6930.

## CHURCH MEMBERSHIP

*New Life Providence Church* encourages all who know the Lord and who share the vision of this ministry to consider becoming church members. Membership provides many wonderful benefits and has reasonable responsibilities. Membership is open to those age 18 and older. It is a simple process.

**Discovery Seminar** is a fast-paced, on-point event, which is required for all those seeking membership in order to understand the history, values, and practices of our church. To streamline the process, the Discovery Seminar is scheduled in two parts: an all-day Saturday event (a light breakfast, lunch, and childcare provided), plus the Sunday evening *two weeks later*. You will have the opportunity to meet many of our staff pastors and directors and to have some up-close-and-personal time with Pastor Dan.

Discovery Seminar is normally held three times each year—winter, spring, and fall. To allow us to plan appropriately for childcare and meals, pre-registration is required. Brochures with more details and registration forms are available at the information center.

Information regarding the Discovery schedule is available at the information centers or contact Annette Bowen at the church office.

## Outreach

All Christians need to be filled with the compassion of Christ. We are *all* called to visit the sick, the shut-in, the elderly, and those in the prison. Jesus said to go and make disciples of all nations; we start with our Tidewater area. We must put legs on our prayers and go to the lost and needy.

The goal of the outreach ministry is to train soul winners and lovers of Jesus to share this faith, and to bring the harvest into a community of believers. We are partnering with local outreach ministries to help pull in the net. We need *you* to join us and become a netcaster for Jesus.

We have a wide variety of outreach opportunities available. **Brochures listing various opportunities are available at the information center.**

### MENTORING & TUTORING

Many from our church are making an impact in the community by serving as mentors and tutors. We have a long-standing relationship with Thurgood Marshall Elementary School in Chesapeake through which we provide mentors for at-risk elementary children in a program called Kids Hope. In addition, the Life Enrichment Center, an urban outreach center in Norfolk that is affiliated with New Life Providence, provides literacy tutors for elementary students and mentors for at-risk middle schoolers.

To learn more about these programs, contact Pastor Cheryl ([cheryl@newlifeprovidence.com](mailto:cheryl@newlifeprovidence.com) or 227-6930) regarding Kids Hope, or Pastor Kevin ([kevin@newlifeprovidence.com](mailto:kevin@newlifeprovidence.com) or 623-6001) for information about the LEC.

## EQUIPPING

Paul makes it clear in the book of Ephesians that Jesus wants his saints fully equipped for the work of ministry. Here at Providence, equipping means more than education. We want your families to be healthy and strong, your ministries to flourish, your marketplace influence to expand, and your lives to be truly transformed by the power of Christ.

Primetime offers a six-week intensive classroom opportunity to help you sharpen your skills and grow in the Word. Three times a year we offer classes at both the Kempsville and Deep Creek campuses. On Wednesday nights at Kempsville, programs for youth and children make it a night for the whole family.

Additional opportunities:

- Periodic seminars, conferences, forums, business luncheons, and retreats
- For those new to the faith, two specifically designed classes: *Becoming Disciples of Christ* and *Knowing the Holy Spirit*
- For those who function at NLP in a leadership position, we provide six Leadership Huddles each year to infuse leaders with vision, practical leadership training, and access to church developments that affect their roles. Each ministry department also provides training for its leaders.
- The New Life School of Missions has a training program available for those called to a full-time career in missions.
- The Church Multiplication Center (CMC) offers training and coaching for those who have a heart to plant churches.

# the Arts CAFE

NEW LIFE PROVIDENCE CHURCH

The Arts Café was created as a venue to release creative expression at New Life Providence. We have hosted events spotlighting music/jazz, dance, dinner theater, comedy, film, and our church's own visual artists.

Each event features incredible culinary and baking creativity, under the leadership of Mark Nowak and Beth Howell, and some form of visual art. The threefold purpose of ARTS CAFE is:

1. To create a safe venue where the creative arts can be expressed and appreciated.
2. To create a venue to release and feature artists within the church and body of Christ.
3. To create a venue where outreach would be non-threatening and inviting.

Events are held about once a month during the school year.

We are excited about the the growth that our Creative/Creator God intends for both artists and appreciators of the arts!

## In the Know About the Kempsville Campus Traffic Flow!

The mission of the parking ministry ensures a **smooth, stress-free** and **safe** traffic flow, thus enabling our members to participate in the worship service and anticipate God's blessing in their lives.

We strive to accomplish this mission by implementing two main principles of operation: **one-way traffic** and **reserved parking for Kids Cove**.

In this way we can keep our most vulnerable attendees out of harm's way and minimize the delays, conflicts, and accidents that can adversely affect your approach to worship.

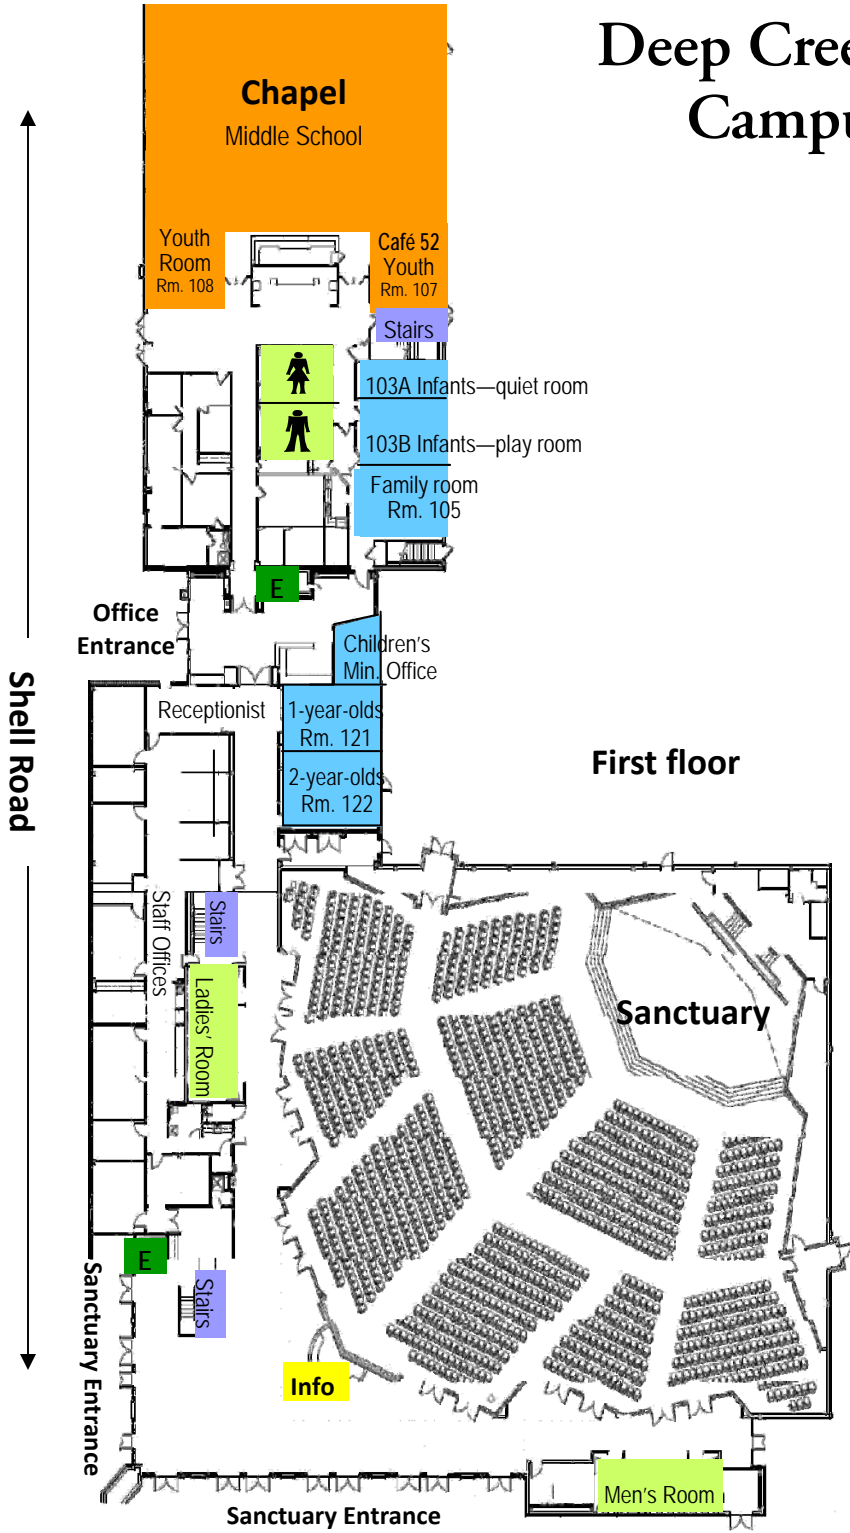

You can help us help you!

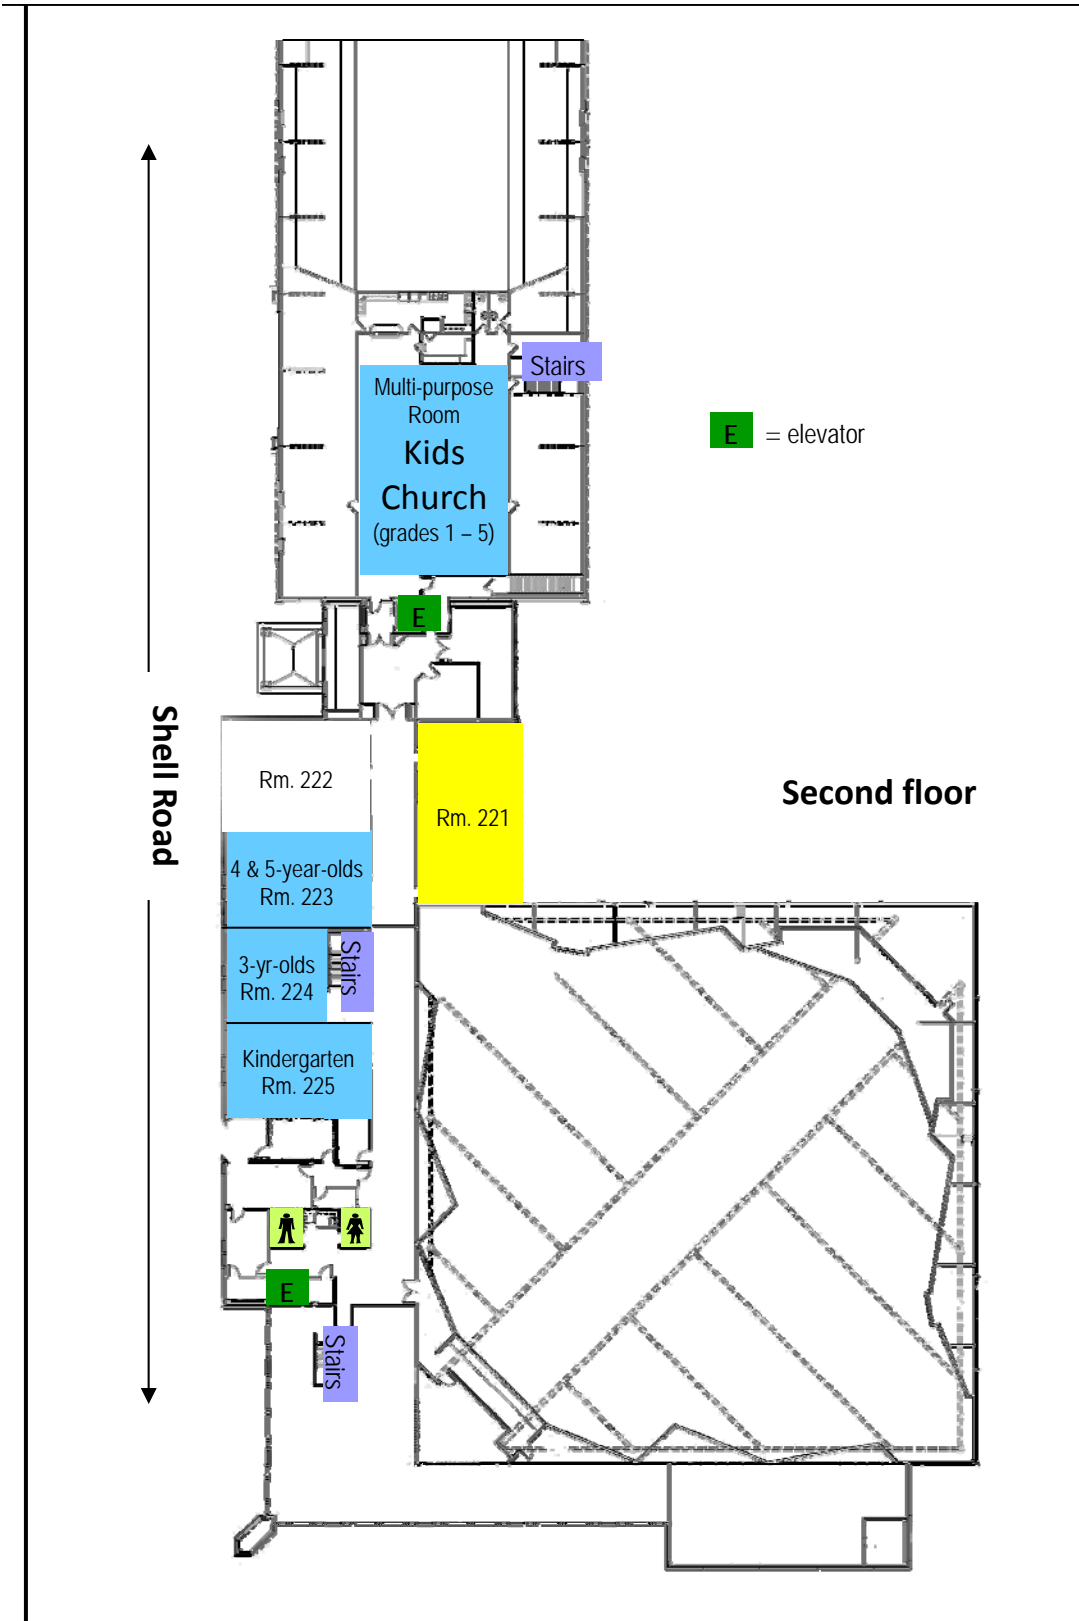

During our services, please:

- ◆ Observe one-way traffic pattern **whether or not** a parking attendant is in view.
- ◆ Refrain from parking in the Kids Cove reserved area unless you have a child to drop off in the nursery, **whether or not** a parking attendant is in view.
- ◆ Do not speed.
- ◆ Pull into a parking spot instead of backing up when there are cars behind you.
- ◆ Use your turn signals so others know how to anticipate your movements.
- ◆ Do not text-message while driving!
- ◆ When walking across the roadway, keep your group together and go directly across.
- ◆ Stay out of handicap parking spaces unless you have a disabled person in your car.
- ◆ Ask a parking attendant for help if you have a need for special consideration contrary to the traffic pattern in effect.

Thanks!

# Providence Code Breaker

Every group, over time, develops its own specialized vocabulary. Athletes, musicians, and politicians all have insider phrases, but so do church members. Here are some of the codes at New Life Providence (NLP):

**Transethnic** – a word that is not in the dictionary, but we use to mean “moving beyond (*trans*) our cultural and ethnic backgrounds to a culture of full partnership and mutual respect in the kingdom of God”

**Soaking** – a type of prayer where you rest in the Lord’s presence rather than filling your prayer time with a lot of words

Other Providence prayer terms:

## *How to Receive the Amazing Hope of Easter*

1. "For all have sinned and fall short of the glory of God." Romans 3:23
  
2. "For the wages of sin is death (hell), but the gift of God is eternal life in Christ Jesus our Lord." Romans 6:23
  
3. "In reply Jesus declared, 'I tell you the truth, no one can see the kingdom of God unless he is born again.'" John 3:3

4. "Jesus answered, 'I am the way and the truth and the life. No one comes to the Father except through me.'" John 14:6

5. "That if you confess with your mouth, 'Jesus is Lord,' and believe in your heart that God raised him from the dead you will be saved. For it is with your heart that you believe and are justified and it is with your mouth that you confess and are saved. As the Scripture says, 'Anyone who trusts in him will never be put to shame.'" Romans 10:9-11

6. "And he (Jesus) died for all, that those who live should no longer live for themselves but for him who died for them and was raised again." 2 Corinthians 5:15

7. "Here I am! I stand at the door and knock. If anyone hears my voice and opens the door, I will come in and eat with him, and he with me." Revelation 3:20

If you have read and understand that Jesus Christ is your one and only way to receive the gift of salvation,  
then pray this simple prayer:

*"Lord Jesus, I know I am a sinner. Thank you for dying on the cross for my sins. I open the door of my life and receive you as my Savior and Lord. Take control of my life and help me be the kind of person you want me to be.*

*Amen."*

Easter Celebration  
2001

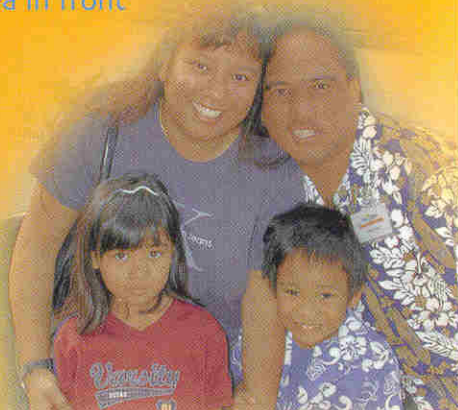

New Hope Christian Fellowship

## Welcome To New Hope!

We're so glad you said "Yes!" to God's invitation to be with us this Easter! If this is your first visit or if you would like more information on New Hope, please fill out the Communication tab attached to the right and drop it in the offering container, or visit the Connections tent or any of the ministry tables after the worship service.

Do you need someone to pray with you, or someone to talk to? Our Prayer Advisors are available to pray with you after each service. They will be at the stage area in front of the arena.

## Happy Easter!

Easter is one of the greatest parties heaven ever throws. I mean, the first Easter morning when they went to Jesus' tomb and found He had risen, there must have been the most impressive fireworks show lighting up the entire universe for all of eternity! Why? Because God won - He conquered our sin, He was victorious over death and championed eternity forever.

Easter is the symbol of life and hope; the assurance there's something beyond this life... something you and I can hope for with all of our hearts. So "Happy Easter" to each and every one of us. May we all experience the jubilant celebration of what today truly means!
