We couldn't have done it without you!

You could put a picture of the event on the back of the card or any saying that you'd repeat to personalize the card.

Also when you do this you don't have to write a lot of extra text, but what you do write will mean a lot to the volunteer who gets a personalized note

This is where you could personalize the card by putting in a picture of the pastor, or the pastor and his wife or any ministry leader—funny or serious, it is a great way to personalize the card.

The pic above was taken at our church and it's of me and my husband, Paul.
