

# Read through the Bible in a Year In Chronological Order

It will change  
your Life!

## What reading through the Bible in Chronological order will do for us

***We'll understand the whole story of salvation as it unfolds***

For many of us, we only have bits and pieces of the story, but when you read it in chronological order you'll see God's extraordinary planning and working out of every detail over the centuries.

***We see how God is truly the author of the entire Bible***

The Bible was written over 1600 years and yet it has one voice under all the voices and one clear theme—of God seeking, saving, and restoring his lost people.

***It will help us understand the uniqueness of the Christian Bible***

No other religion has Scriptures written over a similar time period that are as internally consistent as the Christian Bible is. There are no other Scriptures that have historically verifiable prophecies that were fulfilled in verifiable historical settings as there are in the Bible. These are bold statements and you have to read the Bible in chronological order to see them.

***It will grow our trust and confidence in our God***

The same God who mercifully clothed Adam and Eve after they sinned and promised them a Savior is the same God who formed Israel, guided, and disciplined it, and who from it brought his Son into the world and who lived, died, rose, and formed his church to carry his message of salvation and his return to restore all things.

When you see that big picture and the sometimes difficult lives the Biblical characters lived in the midst of it, it can give you peace and trust to understand your part of the same great story, filled with hope and an assured glorious ending when daily trials threaten to undermine your faith.
