

Halloween,

It's a fun time for
tombstones, ghosts, and
all things scary...

But what about when it isn't Halloween?

We can laugh at death when it's part of a Halloween spook house but we don't laugh when it touches someone we love or when we must face it.

This Halloween, take some time to check out the one person in all of history who conquered death—Jesus.

His resurrection is the key belief of the Christian faith and what makes Jesus unique among religious leaders.

We invite you to be part of activities at our church or you can check facts online and in private. Take time, ask questions, research the answers.

Halloween might be a fun time, but seeking serious answers to life-changing subjects is always important.

On the back of this card are links to websites you can check out to find out more.

Life is short; eternity is not.

You owe it to yourself to carefully research what happens after you die. We believe your choice is between literal, real heaven or hell—not a Halloween fantasy.

That Jesus has gone before us, that he died, rose again, and conquered death is the core of the good news we share about him. This is how, Paul, one of the founders of the Christian church put it:

Now, brothers and sisters, I want to remind you of the gospel I preached to you, which you received and on which you have taken your stand. By this gospel you are saved, if you hold firmly to the word I preached to you. Otherwise, you have believed in vain. For what I received I passed on to you as of first importance: that Christ died for our sins according to the Scriptures, that he was buried, that he was raised on the third day according to the Scriptures.
